SECOND RECORDS REQUEST

Dear Records Request Officer:

Pursuant to the state open records act, I request access to and copies of ANY AND ALL information pertaining to a complaint dated October 2, 2005, on the behalf of my daughter, Ashley L. Voss versus Jenks Public Schools including, but not limited to, e-mails, phone messages, notes taken, correspondence within the department and with others outside the Oklahoma State Department of Education (including, but not limited to, Jenks Public Schools, representatives of Jenks Public Schools, and their law firm, Rosenstein, Fist and Ringold, and the United States Department of Education).

Please exclude any documents submitted to you by us, including the copy of the original state complaint and related evidence submitted by us, correspondence from our attorneys (Ingle, Roberts and O'Carroll), and decisions of the court, unless there is any additional information or notes on these documents which we would not previously have had access to.

I am hereby requesting a waiver of any search fees or charges as this request is in the public interest and will be shared with elected officials and interested news outlets and will be made public information via the internet.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Thank you for your assistance.

Sincerely,

Kimberly S. Voss
