Re: Copy of Settlement Agreement for Ashley Lynn Voss
Copy of Letters of Guardianship for Ashley Lynn Voss

Pages: 10 pages total (including cover letter)

Rickey:

As we discussed yesterday, I am faxing you a copy of the Letters of Guardianship for Ashley that shows my husband and myself as Co-Guardians.

Additionally, I am also faxing you the entire settlement agreement regarding Ashley's exposure to environmental toxins at Jenks High School in April and May of 2004. Please read the marked paragraph in Exhibit 1 of this agreement on page 2 of 4 which states:

Vosses acknowledge that the sum of Fifty Thousand and no/100 Dollars (\$50,000) paid by Releasees herein specifically includes payment of all of Ashley Voss's medical bills and/or liens, subrogated or otherwise. Vosses agree to pay in full all medical bills and expenses, and all others known or unknown, and further acknowledge and agree to indemnify and hold the Releasees harmless against any and all losses, costs, expenses, and liabilities (included but not limited to any medical bills, subrogation claims, medical liens, reasonable attorney's fees and court costs) arising out of any claims, demands, causes or actions, liens or suits of whatever nature, in law or equity, brought by any person or legal entity against the Releasees relating to the incident in April 2004, including the subsequent medical treatment of Ashley Voss.

We would appreciate being informed as soon as possible if the State Department of Education continues to select to limit the scope of the complaint related to IDEA, Section 504 of the Rehabilitation Act, and others because of this settlement agreement, so that we may confer with our attorneys further to challenge this position.

We appreciate your assistance in this matter.

Sincerely,
Kim Voss
